SKATING CHAMPIONSHIP BEGINS WEDNESDAY

Lake Placid, N. Y. Feb. 15.—The international skating championships which begin here Wedqueaday will continue Friday because of the large entry list, the Lake Placid Skating entry list, the Lake Flacid Skating Association announced tonight. The field will be double that of any previous skating races in the United States or Canada, it was stated, and it was decided to add another day to the meet because of the greater number of elimination races.

country will be present for the international championships of the present season.

Races at various distances will be scheduled for both amateur and professionals the latter to skate for the largest purses ever offered in this department of sport. The sum of \$25,000 suggested as the basis of these purses, may be increased to nearly twice that amount and it is hoped to have among the professional competitors such men as Bobby McLean, Oscar Mathieson, Morval Bauptie, Edmund Lamy and others. A special land rink with a quarter mile circuit and other features, in addition to present excellent accommodations, are proposed for the benefit of the professionals expected to spend a portion

#### DIRECTIONS FOR THE USE OF VICKS

Vapora Important-For these troubles a its vaporizing qualities. So whenever Vicks is applied over the throat and chest, care should be taken to leave the lething loose around the neck and the bed clothes arranged in the form of a funnel, so that the vapors arising may be

Hot Wet Cloths-In cases of deep chest colds, severe sore throat or incipient pneu-monia, hot, wet towels should be used over the throat and chest to open the pores of the skin before applying Vicks. For Head Colds, Asthma, Catarrh, Flay Fever—Vicks can be melted in a spoon and the vapors inhaled, or a little should be applied up the nostrils and snuffed up

For Spasmodic Croup, Children's Colds— Rub Vicks over the throat and chest until the difficult breathing is relieved, then spread on thickly and cover with a hot fiannel cloth. An application at bed time usually prevents a night attack of croup. Vicks is particularly recommended for children's colds since it is externally applied, and can, therefore, be used often and freely without disturbing the young-ters' delicate digestions.
